

MONSTER

VILLAGE GARAGE SALE

IN COLO VALE

SATURDAY, OCTOBER 13, 2018

With spring in the air and the desire to clean-out and declutter, a garage sale is a fun way to pass on unwanted items we no longer use, make money and connect with your local community.

The **Colo Vale Community Association** has opted to join the “Choose to Reuse” Garage Sale Trail idea that’s due to sweep the nation in October. The Garage Sale Trail started in Bondi Beach in 2010 with support from the local Waverley Council. Today it’s an event supported by 148 councils nationally, with 400,000 Australians anticipated to list over 2 million items for sale and reuse at over 15,000 garage sales across the country.

Australians are finally understanding the need to save our planet and reuse. Many of us have now ditched single use plastics, buy coffee in our own reusable cups, and take our own bags to Woolies.

So join us at Colo Vale on Saturday, October 13th at the Community Hall, 28 Railway Avenue where from 8:00am – 1:00pm maps will be handed out showing locations of garage sellers in our area. Balloons will be displayed at the front fence/gate of all sellers making it easy to identify them as you drive down the streets.

If you would like to register as a potential seller contact Kathleen on 0437 812 781, but be quick registrations close on October 6th.
